Delegation from each BSP country

We are expecting over 200 people to the conference, meaning that each BSP country (Estonia, Latvia, Lithuania, Poland, Germany, Denmark, Sweden, Finland and Russian Federation) should put together a delegation of 20 people maximum.

We recommend that each delegation should consist of 10-12 students (2-3 of them with a research) and 8-10 teachers, coordinators, representatives of national commissions for UNESCO or ministries.

Please register your delegation, your arrival and departure info online by 30th of April 2015 at the latest: <http://goo.gl/forms/LTHgnR1DPg>.

If any delegation must arrive or departure a day earlier or later, please make sure you will notify the organizers. The delegation will be put together by BSP national coordinators. If you are not sure who is the coordinator in your country, please visit: <http://www.b-s-p.org/about/coordinators/>

Each delegation should bring with them:

- 1) 2-3 student **research poster presentations** that has registered: <http://goo.gl/forms/IHG8GJVMUT>. Also a demonstration with it. Posters can be hand-made.
- 2) Each participant will bring **1 - 2 pictures or short written notes** about their best experience in the BSP during its 26th years of lifetime. These will be put on a BSP timeline next to our drawing contest pictures which will make a nice exhibition.
- 3) **A performance or presentation about your country and culture** for culture nights. This is for the 190 participants, so make sure you think through how you will present this!
- 4) Also, it would be nice if each could bring **some national snacks for the last evening**.

There is no conference fee for the delegation from each BSP country. The accommodation, meals and transport inside Estonia will be covered by the organizer - Tartu Environmental Education Centre.
